

The Circle,

Symbol of Perfection, recalls a perpetual beginning and a continuous return; in the Flower of Life overlaps creating a charming geometric design, present in many ancient civilizations.

Elena Gastaldon,

Designer of Art and Symbolism, is inspired by the mysterious studies and designs of the genius

Leonardo da Vinci.

Leonardo's Flower Collection

Elena realizes "Leonardo's Flower Collection" with the intent to suggest a poetic and less conventional meaning of the eclectic Leonardo's studies, from Architecture, to Botany, to the Golden Ratio present in every form of Life.

She offers household items and accessories made with Jacquard fabrics in Limited Edition, made by skilled Italian Craftsmen

Leonardo's Flower Collection is for sale in the Museum Bookshops and in some selected stores, for customers attentive to the quality of materials and manufactures.

ELENA GASTALDON is a versatile artist ranging from jewelry design to fashion, accessories, wellness products to real pieces of art.

Her creations always emerge from an inspiring philosophy reflected in the image of the product as well as in the packaging of the single item.

She cooperates with companies for the creation of new fashion lines.

Elena also creates unique and artistic pieces, exhibited in solo and group exhibitions.

IL FIORE DI LEONARDO is her new creation, born from the study of symbols and drawings of Leonardo da Vinci, artist and one of the greatest scientists in the world, which still amazes for his genius.
